

# Canterbury Trials

## VENUE CHANGED

The new Simtrack starting gates for racemeetings and trials at Phar Lap Raceway and Ashburton, Motukarara and Rangiora Racecourses have arrived and been assembled at Ashburton. The trailer to enable their transportation will not be delivered until the end of April.

Consequently, the trials scheduled for Motukarara Racecourse on Tuesday 9 April 2019 will now be held at Ashburton Racecourse.

This will enable the new starting gates and all participants to have two 'practice runs' at these trials and those on Wednesday 17 April 2019 (also at Ashburton) before being used on raceday for the first occasion at the Ashburton Racing Club meeting on Friday 10 May 2019.

This transfer of venue has been made with the support of the Clubs concerned, NZTR, the RIU and the Trainers Association.

Apologies are extended for any inconvenience this may cause but it is the prudent and sensible course of action.
