All horse floats are to use the containment area. Trainers and horse float operators are advised that it is a requirement of the CJC H&S policy that all floats unload and load within the confines of the contained Float Park. Horses must not be unloaded or loaded anywhere other than within this area. Horse floats must enter the Racecourse from the Steadman Road gate.

RACEDAY STALLS:

Raceday Stalls are not to be reserved over the NZ Cup Meeting. Given the probability of a high number of starters and the resulting pressure on tie-up stalls the reservation of tie-up stalls on raceday is prohibited on Saturday. In the interests of fairness and co-operation Trainers are asked to work together in managing the use of tie-up stalls. Please do not leave vacant stalls between you and your neighbour and it will be appreciated if horses can be returned to the Visitors/Permanent Stables as soon as possible after racing. Any reserved stalls will be released.

RACEDAY SECURITY LICENCE DISPLAY:

To assist Security in ensuring that only authorised people are allowed into the raceday stalls area it is essential that all licence holders and licensed staff wear their licence badges so that they are always clearly visible. Security do not necessarily know trainers and other licence holders by sight and wearing licence badges so that they are easily seen will prevent any unnecessary embarrassment in accessing the stalls area.
